NPLCA Nurse Practitioner-Led Clinics ASSOCIATION

MISSION

Better together, advocating for high quality and efficient team-based primary care.

VISION

To present a strong and unified voice for Nurse Practitioner-Led Clinics.

VALUES

Client Focused | Transparent | Efficient

OVERVIEW

The NPLCA is the unified voice for Ontario's Nurse Practitioner-Led Clinics (NPLCs).

We are committed to:

- Acting as the common voice for NPLCs.
- Responding to Ministry policies affecting care delivery.
- Promoting governance excellence and geographic equity in access to care.
- Advocating for the expansion of the Nurse Practitioner-Led model.
- Collaborating with other primary health care organizations to strengthen care in Ontario.

STRATEGIC PRIORITIES

1

Advocacy

- Advocate as the voice for innovative inter-professional primary care delivery through NPLCs
- Represent NPLCs at decision-making tables
- Collaborate with NPAO to strengthen and expand the model

2

Sustainability & Growth

- Create public awareness of the NPLC model of care
- Implement annual campaigns (social media and print)
- Promote multidisciplinary care in partnership with the Primary Care Collaborative

3

Public Awareness

- Ensure sustainability of existing NPLCs and advocate for growth of the model
- Work with the Ministry to support operations
- Use data to show care quality and justify expansion
- Address access issues and reduce hallway medicine
